MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 26 October 1984

1. Progress reports on tasks assigned by the DCI/DDCI:

None.

2. Items/events of interest:

25X1 a. An Office of Personnel (OP) employee is [redacted]
ensuring that all personnel matters concerning the [redacted]
[redacted] deaths of [redacted] individuals are appropriately handled. 25X1

25X1 b. On 23 and 24 October, OP conducted an Open House/Seminar for all
Agency employees in the Headquarters auditorium. After an update of personnel
activities by several senior OP officers, a question and answer session was
held. Attendance and interest was good.

c. A video presentation on retirement benefits and entitlements has
been developed by Retirement Division/OP and is currently being reproduced for
distribution to Headquarters and field elements. It covers a wide variety of
informational topics including annuity estimates and receipt of annuities,
insurance benefits, taxes, creditable service, former spouse entitlements, and
other important issues of interest to prospective retirees. The video also
provides employees with advance information on procedures and administrative
requirements which will assist them in their actual retirement processing.

d. Information Division/OP prepared a report that showed that on
30 September, there were [redacted] on Agency rolls who were serving with 25X1
the Agency at its founding on 18 September 1947. Their grades range from

e. OP was able to assist an applicant who had inadvertently left his return airline ticket in the Headquarters reception area following his interviews. Attempts to locate him were unsuccessful. The applicant subsequently called OP an hour before departure of his flight from National Airport and asked for help. An OP courier navigated rush hour traffic, completed the hand-off of the ticket at curbside, and the applicant made his flight.

f. On 22 November, Chief, Psychiatric Operations Division, Office of Medical Services, addressed members of the Department of State's FSI Mid-Career Course on the "Psychology of Terrorism."

25X1

h. The Office of Security, in conjunction with the Office of Medical Services, began a program to provide certified training in cardiopulmonary resuscitation skills to the new Security Protective Officers. The goal of this program is to eventually ensure full first aid emergency response training to the entire Security Protective Officer force.

25X1

i. The final termination agreement [redacted] for the original MERCURY development contract was signed on 19 October. This action concludes the protracted settlement negotiations [redacted] work performed as prime contractor on the MERCURY Project during the period August 1981 through January 1984. [redacted]

k. On 23 October, several C&P telephone conduits were damaged by a subcontractor for the George Hyman Company who was drilling test holes to determine the extent of underground rock in the area of excavation for new utility lines. However, the damage was undetected until late that evening. Repair crews from the C&P Telephone Company completed temporary repairs on 25 October. Damage appears to have affected only black-line service between Headquarters and [redacted] Building.
